We conduct a continuous insect disease-prevention program. All soil used on our range has been pasteurized. This kills injurious fungi and bacteria as well as all weed seeds. The plants you receive from our greenhouses will be free from soil and foliage diseases.

Guarantee: We guarantee satisfaction. If your order arrives in bad condition or if you are not pleased with it, let us know within 10 days and we will replace it free of charge, or refund your money.

Because of the many factors affecting plant growth, we make no warranty, express or implied, as to the productiveness of plants listed herein, and we will in no case be liable for more than the original purchase price.
